REPUBLICAN CITY CONVENTION.

The Call Issued for The Primaries to be Held on Tuesday Night in the Ward.

The representative Republicans of the city met in caucus two weeks ago, at which time they decided that a Republican convention be called to nominate a party ticket for city officers. It was the general expression of those present that it is better for the best interests of the city that representative citizens be nominated for the various offices of the city government. At that meeting the city organization was effected and last night the chairman of the wards met and arranged for the holding of the Republican primaries and convention. The chairman of the meeting was John A. Brown and the secretary was E. C. Bassey.

THE PRIMARIES.
It was decided that the primaries should be held at the following places on Tuesday evening, April 10th:
First Ward—at Neptunea House.
Second Ward—at the Council Chamber.
Third Ward—at Firemen's Headquarters.
Fourth Ward—at the Sheriff's Office.
Fifth Ward—at Eldorado House.
The delegates in each ward will select the candidate for alderman.

THE CONVENTION.
The following will be the basis of representation in the nominating convention to be held at the court house on Thursday evening, April 12th:
First Ward—14 delegates.
Second "—13 "
Third "—13 "
Fourth "—11 "
Fifth "—9 "
Total 60

The convention will nominate candidates for mayor, city attorney, city clerk and city treasurer.

The official call appears in another column, and is signed by K. Harwood, chairman of the first ward; John A. Barnes, of the second ward; A. T. Hill, of the third ward; E. C. Bassey, of the fourth ward, and John A. Brown, of the fifth ward.

Death of Elias Oliver.
To-day a well-known old citizen, Elias Oliver, died at an advanced age at the residence of his step-son, Mr. John Lindsay, on South Webster street. The deceased had been in poor health for some weeks. The funeral will occur on tomorrow at 1 o'clock, from the residence of Mr. Lindsay. The remains will be taken to North Fork cemetery for burial.

A new vault, like the one in J. Millikin & Co.'s bank, is to be built at the rear of Curtis & Co.'s jewelry store. It will be large in size, and will be lined with boiler iron. Mr. Curtis is in Cincinnati to-day securing burglar-proof doors and locks for the vault, in which will be stored the diamonds, watches, jewelry and other valuables of the firm during the night time.

Mayor Warner's Appointment.
Major V. Warner, of Clinton, a prominent leader of the DeWitt bar, and well known throughout central Illinois, has been appointed by Governor Hamilton as Judge Advocate General of the Illinois National Guards, with the rank of Colonel. This is a good appointment. The Major is a frequent visitor to Decatur, and is well known to many members of the National Guards in this city. Decatur endorses the selection.

As was stated in the report of the committee, the right of way granted the Citizens street railway line is on Front street to Eldorado, west to Broadway, south to North, west to Water, thence south to East Main, west to the old square and New Denning hotel, thence south to the cemetery. The company will commence building the line as soon as the ordinance granting the privilege is adopted.

Quite a large number of citizens witnessed the process of tearing down the old Masonic brick building to-day—a structure which stood on the corner of Water street, north of the new square, for over 40 years. Hopes were attached to the walls and they were pulled down, each section falling with a crash, making a loud report and causing a cloud of dust and mortar dust.

This afternoon Justice McGorray fined George Marose, a coal miner, \$20 and costs for choking his wife last night. The accused was sent down to join the chain gang. Marose asked his wife, who was in court, to pay the fine, but she not only refused to do so, but said she was going home to her folks.

Commissioner DUBOY. of the pension department, will probably soon appoint another pension examining board with headquarters in Decatur. The names of the lucky to be favored physicians are not yet known.

This afternoon Thomas McInerney furnished bail in the sum of \$600 and was discharged from custody. Justice Lowry accepted M. K. Carroll as security.

The Coming Treat.
The Washington Republican had the following to say of the Ragan illustrated lectures on Europe to be delivered at the opera house in this city on April 10th, 11th and 12th:
A highly intelligent and appreciative audience filled the Congressional church last night to hear the second of the Ragan illustrated lectures. Almost every seat in the gallery and down stairs was filled long before the hour of commencement. The graphic description of the various places of historic interest to which the audience were taken by the lecturer in his subject entitled, "London from the Top of an Omnibus," enabled those who had never visited the ancient city of London to form a very accurate conception of places they may perhaps never see, and of incidents of which they have possessed only the knowledge derived from their school books.

The lecture was illustrated by stereoscopic views precipitated upon a very large canvas screen by the oxy-hydrogen light, and the effect was particularly beautiful. The views were so strikingly realistic, as many who were not strangers to the scene could affirm.

Reserved seats can now be secured at Curtis & Co.'s store.

Meeting of the Decatur Gas Light and Coke Company

The annual meeting of the Decatur Gas Light and Coke Company was held at the office of the company in this city yesterday. There are 30 stockholders of the company. The business transacted was purely of a routine character. F. Butterick and J. R. Farman, members of the company from Boston, were present. During the past year considerable improvements have been made at the works and it will be necessary to expend about \$13,000 to complete the improvements mapped out. The business of the company is in good shape.

Organ Presentation.
The sociable given by the members of the Brotherhood of Locomotive Engineers at their splendid hall in Commercial Block on East Eldorado street, last night, was well attended and proved to be a most enjoyable affair. During the evening Mrs. Lou Hart, on behalf of the ladies, presented the Brotherhood with a handsome Miller organ, in a neat speech. The gift was received with thanks by J. J. Wright, an old engineer. The musical and literary programme was a fine treat. The numbers consisted of musical and literary selections given by Prof. Lutz, Miss Jennie McDaniels, Miss Alida Haney, Miss Ellen Morgan, Mrs. W. C. Conover, Miss Annie Kingston; and a vocal selection by Prof. Lutz.

The Revival Jubilee.
It is now arranged that the union Methodist jubilee over 2,000 Rev. Harrison converts will be held on Tuesday, April 10th, at the First M. E. church, on which notable occasion it is expected that many visitors from a distance will be present. Rev. R. M. Hatfield, of Chicago, will preach the jubilee sermon at 10:30 o'clock. The meeting last night was well attended, there being 24 seekers at the altar anxious for salvation.

The Elijah Festival.
The festival given by the members of Elijah Lodge of Odd Fellows in Dr. Stoner's hall last night was liberally patronized despite the inclement weather. During the evening the following named officers of the lodge were publicly installed:
Vice Grand—Hanson Singleton.
Vice Grand—Henry Griffin.
P. N. G.—William Prince.
N. F.—Robert Ernest.
E. S.—Nick Ernest.

During the evening Bro. Thomas Belt, of Chicago, a grand lodge officer, delivered an instructive address. The receipts were about \$50.

ELDEN TYLER officiated at the funeral of the late W. D. Dorsey, which took place from the residence of Mr. Samuel Funk this afternoon. The remains arrived here from Wellington, Kansas, last night. The body was placed in the vault at Greenwood cemetery where it will remain for the present.

PERSONAL MENTION.
V. Snyder, the Monrovia banker, is in the city.
O. E. Curtis went to Cincinnati last night on business.
Mrs. Wm. C. Davis, of Springfield, is in the city.
Born to Mr. and Mrs. Frank Kramer on Thursday morning, a daughter.
Miss Annie A. Tinkler, who taught at Long Creek the past winter, is teaching the "Nevada" school.
Wm. Montgomery says the wheat looks green and promising in the northern part of the county.
Jacob Rheem, of Carlisle, Pa., and niece, Miss Anna Hannan, of Springfield, are in the city, guests of S. D. Smith and family.
Geo. H. Lennox, agent, and S. M. Dawson, assistant agent of Thatcher, Primrose & West's minstrels, are at the New Deming.
Herb. Randolph, who has been afflicted with pneumonia for some time, is mending slowly. He was able to sit up for a short time yesterday.
O. C. Stafford, of Minneapolis, Minn., who has been spending the winter in Florida with his wife, is in the city, a guest of his brother, Moses Stafford, and family.
Gladden Gorin is progressing rapidly in his short-hand studies. He can now write 140 words a minute—a rate of speed that qualifies him to take down the speech of any ordinary speaker.
Mrs. B. O. McReynolds and daughter, Miss Jennie, departed for Hot Springs, Arkansas, last evening, where they will remain for a month with the Decatur colony at that famous health resort. They were accompanied as far as St. Louis by Mr. McReynolds.
H. A. Hultburg, representing Ramsey Bros. & Co., of 16 Chamber of Commerce building, Chicago, was in the city yesterday, looking around with a view of establishing another board of trade room in Decatur. Mr. H. is an uncle by marriage of M. L. Parker, the cutter at Race & Co.'s store.
George Nebinger couldn't play croquet yesterday with uncle David Garver, and so he went fishing about 300 yards below the city dam. He came trading home last evening with 31 large fish. One was a magnificent red horse and another a channel cat. The balance were suckers of good size.
Danville News: Phocion Howard pulled through for supervisor all right; he beat the wrong man, Fred Wortman, however. Now we must have gravel roads stretched all over this township like velvet ribbons, within a year. You have work before you, Colonel, and come right down to it. Go to Springfield and get the road bill passed, and come back and go to work and build roads.

The Social Club party given at the St. Nicholas hotel last evening was attended by a large company of society people. There were 16 numbers on the programme and good music was furnished by Goodman's orchestra. The prompter was J. M. Ehrman. Possibly the club will give another soiree this spring.

"Iolanthe" at the Opera House.
As it is announced that Gilbert and Sullivan's new fairy comic opera, entitled "Iolanthe; or, the Peer and the Peri," will be presented for the first time in Decatur on Monday evening, April 9th, at Smith's opera house, by Charles E. Ford's famous English Comic Opera Company, we publish the following extract from the Charleston News and Courier, showing how it was received in the "City by the Sea":

"Chas. E. Ford's English Comic Opera Company opened their engagement at the Academy of Music last evening, by presenting for the first time in Charleston Gilbert and Sullivan's new comic opera, 'Iolanthe; or, the Peer and the Peri.' One of the largest and certainly the most fashionable audience of the season was present last evening to witness the presentation of this most famous opera. The libretto is deliciously witty and absurd in its comicisms, and Mr. Ford's company received indeed a great ovation."
